USTA FLORIDA SECTION

MISSION:

TO PROMOTE AND DEVELOP THE GAME OF TENNIS IN FLORIDA

Dear Florida Tennis Enthusiast,

The USTA Florida Section continues to initiate innovative actions to meet the challenges of growing tennis in the new millennium. The highlight of this year is the outstanding agreement with the City of Daytona Beach and Volusia County to establish a "state of the art" tennis center to house our sectional office, 24 har-tru tennis courts, and maintain our tennis "heartbeat" in a central location in Florida. Plans are set to move our sectional office from Pompano Beach to Daytona Beach in early fall of 2001.

To reach, develop and maintain grass roots tennis through the USA Tennis Pathway, the section now has seven staff members in field offices. These tennis professionals are dedicated to growing the USA Tennis Pathway through the development of Community Tennis Associations that can be serviced by the USTA Florida Section from these field offices throughout the state.

And it is working! Our USA Tennis numbers confirm the success of our Community Coordinators.

- ✦ USA Team Tennis (youth) participants in 2000 - 11,470 (153% of goal)
- ✦ USA Tennis NJTL - 41 chapters and programs (140% of goal)
- ✦ USA School Tennis - 131 After School links (150% of goal)
- ✦ Held two (2) USA Team Tennis (youth) Red Rallies for Rallyball and NJTL participants in 2000 (150 participants)
- ✦ Held USA Team Tennis (youth) Sectional Championships with 850 participants
- ✦ Sent four (4) teams to USA Team Tennis (youth) Regionals in the pilot year
- ✦ Sent six (6) teams to AAU Jr. Olympics
- ✦ Held 3rd annual GA/FL USA Team Tennis Jr. Challenge in Orange Park, FL (350 participants)
- ✦ USA Tennis 1-2-3: 19,435 (128% of goal)
- ✦ USA Team Tennis (adults) 9,354 (336% of goal)
- ✦ USA League Tennis (all divisions) 23,644

Our elite players continue to make us proud. Andy Roddick of Boca Raton was the number one junior in the world! Venus and Serena Williams of Palm Beach Gardens have alerted the world that women's professional tennis is an exciting venue.

Our junior tournament players are growing in numbers and responding to our initiatives in this area. The USTA Florida Section took the innovative opportunity to meet a major challenge and changed our junior ranking system to a point system rather than a head-to-head system. One of the goals of the new system was to encourage more tournament play. For the year 2000, Junior Tournament Players increased in numbers by 2,302 players, bringing the total participants in junior tournaments to 26,601. We are very excited about this positive response to our innovative actions.

And membership continues to boom. The section closed the year at 39,165 members.

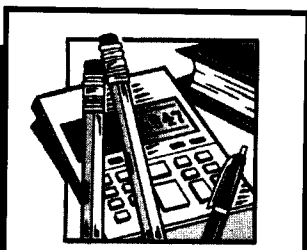

As 2001 unfolds, the USTA Florida Section is confident that our energetic volunteers and dedicated staff, as well as our exciting ideas and technological advances, will all contribute to growth and participation in tennis that will continue to declare our sport as an important activity in the state of Florida.

2000 USTA FLORIDA SECTION AWARDS

RECOGNIZING OUR BEST

2000 Merit Award Winners

This award is given to a man and a woman for having made the greatest contributions to amateur tennis in Florida during the past years.

Bruce Boiko

"You Can Always Bank on Boiko"

When it comes to summarizing the contributions Bruce Boiko has made to the USTA Florida Section, let's just say he's the gift that keeps on giving. In a volunteer career marked by countless accomplishments, Bruce is that rare individual who always is willing to go the "extra mile" whenever necessary. His role as treasurer of the USTA Florida Section Board of Directors is just the latest in a series of laudable functions that Bruce has performed over the years. Thanks to his formidable business acumen, Bruce has helped the Florida Section realize significant financial rewards. During his tenure as treasurer, this financial whiz signed the section's first deficit budget in 25 years, which amounted to a \$10,000 shortfall in 1999. In the year 2000, Bruce improved on that figure by approving a budget that would allow the organization to operate even deeper in the red — to the tune of almost a quarter million dollars. His remarkable resume also includes stints as District 9 director, Grievance Committee Junior Ranking chair, Budget and Finance chair, Bylaws chair, and Junior Ranking chair. He also has served on the Long-Range Planning Committee, the USTA Finance Committee and the Junior Competitive Council. In 1996, Bruce and his family were recognized for their overall contributions to tennis when they received the Florida Section's Tennis Family of the Year Award.

Jo-Ann Zirpoli of Niceville

"The Greatest Love of All"

Certain songs strike a chord in people for different reasons. For Jo-Ann-Zirpoli, it's the classic Whitney Houston song "The Greatest Love of All" that resonates throughout her life. "The words have great meaning to me because I believe the children are our future and we need to teach them well," she explained. The poignant lyric "If I should fail, if I succeed, at least I lived as I believed" truly captures Joanne's essence because she is a person who fervently believes in being the best she can be. Her efforts on behalf of the USTA Florida Section bear that fact out. Since assuming the role of membership chair in 1993, individual enrollment has soared from 28,814 to 38,614. Over the past 15 years, Jo-Ann has served with distinction in a variety of tennis-related capacities that include acting as an USTA-certified official and referee, Florida Section trainer/evaluator and co-chair of the District 1 Officials Committee. She also has devoted her time to an array of sectional committees and councils, including technology, marketing, nominating and resource.

Outstanding Official of the Year

This award is given to a tennis official based on years of service and contributions to officiating.

Janis Crawford

"You've Come a Long Way Baby"

Janis Crawford has indeed come a long way since she launched her officiating career in 1993. Over the years, she has been a major asset to the profession and earned the unqualified respect of her peers, who have come to appreciate her sizable skills. In addition to scheduling officials for University of Florida matches and local tournaments, Janis, who became a trainer in 2000, has served on the District 4 Grievance Committee and acted as head official in the district. For the past four years, she has traveled to South Carolina to officiate at the Junior Davis Cup matches (formerly known as the Boys' 18 Intersectionals). Within the past year, Janis has served as a referee at the Southeastern Conference (SEC) Championships in Gainesville and traveled to Miami to work her magic at the Big East Conference Championships. She is currently involved with the SEC's Referee Committee, which is seeking to ensure officiating consistency within the division.

Al Mills Memorial

Adult Tournament of the Year

The award recognizes excellence in all facets of tournament management.

The Meadows Super Senior Classic

"Meadows Beauty: Second to None"

For the past 15 years, players from across the country have flocked to Meadows Country Club to compete in the Super Senior Classic. Although the competition provided at the event is traditionally top-notch, it's the subtle yet appreciated touches that also entice the players to return each year. Every morning, the competitors are greeted to a sumptuous spread of fruit, juice, coffee, bagels and pastries to fortify their reserves of energy. The facility, which caters to the players' every whim, features a restaurant/lounge designed to provide spectators with an excellent venue to view the matches. In addition, the players have the luxury of competing on 16 meticulously maintained har-tru courts. Each year, the staff and volunteers work their magic to ensure that the 100 or so players who compete in the Super Senior Classic have a memorable experience on and off the court.

Adult Players of the Year

The Players of the Year have had consistent competitive performance, played with character and sportsmanship, and achieved sectional and national ranking.

Emil Johnson

"Grand Slam Senior"

Emil Johnson has made winning prestigious titles on the senior circuit a healthy habit for several decades. Over the past 30 years, this senior sensation has racked up 28 national titles in the senior age divisions, beginning with the 60 Clay Court Singles title in 1968. Emil's crowning

achievement occurred in 1995, when he earned a "Double Grand Slam," sweeping the national singles and doubles titles on all four surfaces (clay, hard, indoors and grass). In 1999, Emil was ranked No. 1 both sectionally and nationally in the Men's 90 division. His most recent national triumph came last October in Fort Lauderdale when he captured the USTA Men's 90 Clay Court title. In addition to being the loving father of three children who have blessed his life with nine grandchildren and 17 great grandchildren, Emil also takes pride in an accolade he received in 1970 from the Orlando Amateur Athletic Association when he was named "Outstanding Tennis Player in Central Florida."

Louise Russ

"Every Little Breeze Seems to Whisper Louise"

Five years ago, after a brief 45-year layoff to pursue a teaching career and raise a family, Louise Russ returned to the tennis courts, where she immediately rekindled her love affair with the sport. Currently ranked No. 1 in the USTA Florida Section's

Women's 70's and No. 3 in the Women's 65's, Louise has enjoyed a banner 2000. Earlier this year, Louise had the honor of leading the United States to victory at the Althea Gibson Cup, a Federation Cup-style event for the 70-and-older age group that was held in South Africa. A few days later, while competing in the ITF Vets World Championships in South Africa, Louise racked up a runner-up finish in the singles and claimed the doubles title. Louise, who won her first tournament at age nine, may have been gifted with a natural aptitude for the game, but it certainly didn't hurt that, as a child, she learned how to hit her textbook backhand from the legendary Don Budge, who gave her free lessons at the Los Angeles Tennis Club.

Tennis Family of the Year

Given to a family in recognition of their significant achievements in their promotion and development of tennis at all levels.

The Rick Pardon Family

"Together Forever"

There has been much discussion in recent years concerning the breakdown of the family unit and the general disintegration of

family values. But that's clearly not the case with the Rick Pardon Family, who epitomize the saying "the family that plays together stays together." Over the years, tennis has been woven into the fabric of their lives in a range of ways. Rick and Sandi, the proud parents of Matthew and Jason, have been volunteer fixtures on the Florida tennis scene, serving in a range of capacities. In addition to his current role as District 9 director, Rick has served on the Junior Tournament Committee and is actively involved in coordinating various volunteer efforts at the Ericsson Open, which is held annually in Key Biscayne. Sandi, who worked in tandem with Rick on the Junior Tournament Committee, also chaired the district's Officials Committee effective in 1996. In 1999, she doubled her pleasure by overseeing the District 8 and 9 Officials Committees. Rick and Sandi's love of the game was proudly passed on to their two sons, who are both active players. Matthew, who is a junior at the University of Central Florida, can frequently be found teaching tennis to the neighborhood youngsters, while Jason currently competes in various sectional tournaments.

The Jimmy Gantt Memorial Award

Presented to the junior player who has overcome a physical impairment or injury but continues to compete to the best of his/her ability. Character and sportsmanship must also be exhibited.

Michael Arndt

"That's the Way It Is"

There's an old saying that goes "When life hands you lemons, make lemonade." That's exactly what Michael Arndt did when a life-altering injury shattered his peaceful world in October 1998. Prior to suffering his crippling injury, Michael built and raced

Motocross motorcycles and radio control cars and was points leader at the track in his area. Although the injury put an end to his racing days, Michael soon channeled his passion into another vehicular vocation—wheelchair tennis. With the help of Nancy Olson, Michael began wheelchair tennis in November 1999, which has given him a new sense of accomplishment and allowed him an outlet for his competitive spirit and desire to win. Proof of his recovery came when Michael participated in his first sanctioned tournament at the Orlando Open, where he finished as consolation winner in the men's D singles division and as a finalist in the men's D doubles main draw. His mother, Marie Arndt, conveyed her heartfelt sentiments by saying, "Mike and I are deeply grateful for all who have helped him and for this award. I don't think Mike would have come this far if it hadn't been for Nancy Olson, the game of tennis and those who love it enough to give of themselves so others can learn."

Junior Tournament of the Year

Presented to the junior tournament that has shown excellent qualities in all facets of a tournament event including, accommodations for players, draw and seeding procedures, scheduling, and adherence to tournament regulations.

Seminole Sunshine Super Series at Red Bug Park

"A Tournament of Tradition"

The Seminole Sunshine Super Series event possesses a rich history that dates back to the mid-1960's, when it was run by a dedicated core of local volunteers. Over the years, as the tournament's popularity blossomed, it switched sites several times

to accommodate the growing number of participating juniors. In fact, before designated tournaments were created, the Sunshine Junior Championships (as it was known back then) was considered the most prestigious junior tournament in the area. In 1976, when the event relocated to Red Bug Park, Cindy Harkins served as the tournament director, a role she continued until her retirement in 1988. After Cindy's departure, the tournament faded into oblivion until she decided to "un-retire" and revive the tournament in 1992 through Seminole County Parks, whereupon it was designated as a super series event. Thanks to the dedicated efforts of the tournament staff and volunteers, the Seminole Sunshine Super Series event continues to reign supreme as one of the area's premier junior events.

Outstanding Local League Coordinators

Given to those, who through their efforts, willingness, cooperation, and participation, worked for the betterment of the USTA Florida Section League Programs

Outstanding Adult League Coordinator

Sharon McQueen

"On the Road Again"

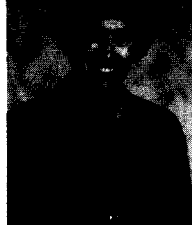

Sharon McQueen's passion for tennis is equaled only by her zeal for traveling around the world with her husband. Over the past year, her nomadic nature has led her on a majestic journey through Maine, Mexico, Arizona, South America, Russia, China and Europe. In between all the traveling, Sharon, who lives on a working cattle ranch, also found the time to make a significant impact in her community by serving as an adult league coordinator. In 1997, she played an instrumental role in forming the inaugural Charlotte County Ladies Tennis League. The league, which began with only 30 players, has grown into a thriving league that comprises over 300 women. Sharon has served as president of the Charlotte County Women's Tennis league on two separate occasions and helped organize and build the Seminole Lakes Tennis Club four years ago. She also acts as treasurer of The Charlotte County Community Tennis Association.

Outstanding Senior League Coordinator

Glynnie Wheeler

"Old Age and Treachery Overcome Youth and Skill"

Glynnie Wheeler may joke that old age and treachery overcome youth and skill, but when it comes to her selection as this year's outstanding senior league coordinator, she resorted to no such underhanded tactics. Instead, what

Glynnie relied on was an exemplary work ethic that produced tangible results in District 14. Since the mid-1980's, she has been involved with the Florida Section adult and senior leagues as a player, captain and coordinator. In 1994, Glynnie flexed her volunteer muscle by working with Marian Green, Dave Beerman and former Florida Section staff member Ellen Lord to establish a senior program in District 14. Over the past six years, she has continued to rack up impressive results in her role as the women's senior league coordinator in District 14.

Outstanding Mixed League Coordinator

Paul and Sally Dock

"Just the Two of Us"

When a project is a true labor of love, the results usually speak for themselves. Such is the case with Paul and Sally Dock, who have spent the past five years establishing a thriving mixed doubles program in District 16. Since its inception in 1995, successful adult and senior mixed leagues have sprung up throughout the district, which now boasts substantial player representation in all Florida Section sponsored leagues. Their efforts to boost the popularity of mixed doubles in District 16 paid off when the Florida Section chose their home club to host the USA League Tennis Mixed Doubles Adult and Senior Sectional Championships. The Docks, who derive a great sense of fun and satisfaction from their achievements, are two individuals who clearly possess an intrinsic trait – volunteer flair.

USA Tennis 1-2-3 Adult Instructor

This award is given to the instructor who has grown the game of tennis the most through the USA Tennis 1-2-3 program.

Cindy Harkins

"Limitless Love of the Game"

Tennis has played a pivotal role in Cindy Harkins' life for many years, and her love of the game continues to dominate her on and off-court existence. In her current role as director of tennis at Red Bug Park, she oversees a well-rounded program that focuses on growing the game at all levels.

Cindy, who originally retired from her tennis director duties in 1988 to stay home and raise her three children, returned four years later to rejuvenate Red Bug Park, which had struggled to maintain its tennis programming during her lengthy sabbatical. When Cindy returned in 1992, the program – or lack thereof – was in dire shape, a fact that was starkly illustrated by the perpetually empty courts. Today, the facility is thriving with six full-time associate pros, four part-time pros and Cindy serving as head pro. A total of 22 teams – 16 women's and six men's – currently participate in various local leagues. Additionally, during an average month, 50 new adult and junior members rotate through the facility's USA Tennis 1-2-3 program. All this success has created an enviable dilemma for Cindy and her staff, where the biggest problem now is finding creative ways to accommodate all the reservation requests for the perpetually

Member Organization of the Year

Awarded to the organization that has given exceptional service to the tennis community through junior and adult programs.

The Landings Yacht, Golf and Tennis Club and The Landings Tennis Association

"Turning Teamwork into Triumph"

The uniqueness of this award is that the accomplishments listed in the following passages represent a rewarding symbiotic partnership between two organizational members — the Landings Yacht, Golf and Tennis Club and the Landings Tennis Association. The volunteer efforts of a community tennis association have combined with the facilities of a private equity club and the expertise of its tennis director, Kiko Castillo, to truly support and develop the game of tennis in the Fort Myers area. In terms of minority and underprivileged programs, The Landings Tennis Association partners with Castillo to conduct a major outing each month for minority and physically challenged players at Rutenberg Park in Fort Myers. Additionally, the Landings Tennis Association volunteers use the club's facilities to conduct the Bush Florida Open. The Landings Tennis Association volunteers also work constantly with Castillo to enhance their involvement with many district and sectional programs and activities.

Jim Martz Media Excellence Award

The Jim Martz Media Award is presented by Florida Tennis on a regular basis in recognition of excellence in informing the tennis community and general public of state and local tennis news.

Linda Frazier

"Tallahassee's Emily Netpost"

Linda Frazier is a woman who wears many proverbial tennis-related hats. Although this award recognizes Linda's journalistic contributions to Florida's tennis community, her volunteer efforts know no bounds. In addition to serving as a tennis columnist for the Tallahassee Democrat since 1993, Linda acts as District 2 director and as president of the Tallahassee Tennis Association. Throughout the 1990's, she donated her time to a host of sectional committees, which resulted in her earning the USTA Florida Section's Volunteer of the Year Award in 1997. Her weekly newspaper column, which faithfully appears each Friday, focuses on local events and notifies readers of USTA-related items. Linda's also pens a popular "Emily Netpost" feature that draws upon her umpiring experience and allows her to address on-court officiating issues with her readership.

Committee Volunteer of the Year

Given to the volunteers whose administrative work has made a significant difference to the betterment and growth of tennis in Florida.

Kiko Castillo

"Ready, Willing and Able"

Based on his burgeoning resume, it's obvious that Kiko Castillo possesses the ability to seamlessly juggle a wide range of tennis-related tasks. For the past 11 years, he has served as the Director of Tennis at the Landings Yacht, Golf and Tennis Club in Fort Myers. But he also

finds time to grow the game at the local and sectional level by acting as District 13 Director and serving as president of the Lee County Tennis Association. Kiko, who also serves as a member of the Florida Section's Nominating Committee and Junior Competitive Council, has earned well-deserved recognition for his numerous tennis contributions. In 1996, he received the national Wilson Premier Advisory Staff of the Year Award and the Lee County Volunteer of the Year accolade. In 1999, Kiko added more hardware to his trophy cabinet when he was accorded the Florida Division USTA/USPTA Service Award.

Junior Coach of the Year

Presented to a coach having made notable contributions in junior tennis, and demonstrated leadership skills in the areas of instruction, writing, organization, and promotion of the game of tennis.

Derek Markey

"Passion Personified"

When Derreck Markey was asked to provide a slogan or saying that best represented his attitude toward life, his reply was, "Choose a job you love and you'll never work a day in your life." Those revealing words help explain his selection as Junior Coach of the Year, for he is a

true tennis advocate who gives unselfishly of his time and talents. In his current role as tennis manager at the RDV Sportsplex Tennis Center in Orlando, Derek oversees a wide range of activities and programs; however, his true love of the game can be evidenced by his voluminous volunteer efforts. His sectional involvement includes serving as administrator of the Central Florida Area Training Center, hosting the Florida Section's 12-and-Under Camp, and acting as coach at the Mills Redgrave Junior Challenge, the 12 Zonals, the 16 Intersectionals and the Area Training Center Jamboree.

USA Tennis 1-2-3 Junior Instructor

This award is given to the instructor who has grown the game of tennis the most through the USA Tennis 1-2-3 program.

Paul Bevan Thomas

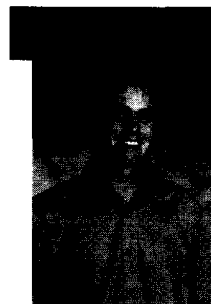

"No Doubting Thomas"

Since 1998, Paul Bevan Thomas has acted as the administrator of the Panhandle USTA Player Development Area Training Center, but that is only the tip of the tennis iceberg in terms of Paul's involvement in the game. As the head tennis professional for the City of Tallahassee, Paul is responsible for overseeing a staff of 15 tennis pros and instructors who provide 43 classes to over 350 players per week. Several years ago, he received a USTA grant to provide USA Tennis 1-2-3 programming to the Tallahassee's inner-city youth. To date, thanks to Paul's efforts, over 300 area juniors have been introduced to tennis and a year-round program has been established for players who wish to continue their tennis tutelage. In addition, as part of the USTA's Plan for Growth, Paul helped organize and coach programs such as:

- ✦ Free Lesson Blitzes, which attracted 966 participants
 - ✦ USA Tennis 1-2-3, which involved 2,716 participants
 - ✦ USA Youth Team Tennis, which attracted 974 participants
 - ✦ USA Adult Team Tennis, which enticed 1,371 participants.
- These figures prominently place Tallahassee near the top of the Florida rankings in regard to introducing new players to the game.

Albert Carrington Balink Award

Presented to the junior player who is considered to have had the most outstanding full season performance in local, state, national, and Florida Section team events, and who most nearly approaches the ideal in sportsmanship, conduct and character.

Andy Roddick

"The Future Is Now"

In the early 1990's, the American men's tennis landscape was ripe with contenders as Grand Slam greats Pete Sampras, Andre Agassi, Michael Chang and Jim Courier jostled for supremacy at the top of the rankings. A decade later the search is on to unearth the country's next great

male champion. Based on his results over the past year, the most promising prospect may be 18-year-old Andy Roddick, who dominated the junior game in the year 2000, winning the Australian and U.S. Open junior singles titles and claiming the top spot in the International Tennis Federation's junior world rankings. Andy, who turned pro last February, has already shown flashes of greatness in his occasional ATP Tour appearances. At the ATP stop in Washington last summer, Andy — who whacked a blazing 139-mph serve during the U.S. Open — defeated three highly ranked opponents, including No. 61 Karol Kucera and No. 24 Fabrice Santoro.

Outstanding USA School Tennis Area Coordinator

Presented to the person who through her efforts, willingness, cooperation, and participation, worked for the betterment of the USTA Florida Section Schools Program.

Irene Tharin

"All for Love"

Over the past decade, Irene Tharin has amassed a glittering tennis resume that stands as a proud tribute to her innumerable volunteer contributions. In addition to spending the past 10 years as the area coordinator for North Pinellas County Schools, Irene has served as a USA

Youth Team Tennis coach, an NJTL chapter leader, a USA Tennis 1-2-3 site director and as a member of the Florida Section's Junior Recreational Tennis Council. Irene, who previously won this award in 1994, also serves as director of the North Pinellas County Middle School Tennis Jamboree, an all-day field trip created to reward area middle schools that offer an after-school program. In 1994, she also received the prestigious Middle School Physical Education Teacher of the Year Award from the Florida Association of Health, Physical Education, Recreation, Dance and Drivers Education.

Outstanding USA Team Tennis Area League Commissioner

Presented to the Area League Commissioner (ALC) who has made generous contributions to the growth and development of the USA Team Tennis (Youth) program.

Gregory "Spike" Gonzales

"Visionary Approach Produces Results"

Gregory "Spike" Gonzales is an individual who knows how to enact progressive change on and of the court. A former three-term president of the Eastern Division of the USPTA, Spike also served as the chief operating officer of Tennis Corporation of America (TCA), a company he was instrumental in expanding from one to over 30 clubs throughout the country. He also played an integral role in founding the National Tennis Rating Program (NTRP), which brought together the USTA, USPTA and the IHRSA in the adoption of a universal rating system in the late 1970's. Additionally, thanks to his efforts, over 150,000 new players were introduced to the game through TCA's Tennis in No Time program, which served as the model for the Play Tennis America program (now known as USA Tennis 1-2-3). Spike was an influential figure in the development of these vital programs and has personally trained staff members at dozens of clubs throughout the U.S. and Canada regarding the proper implementation of these programs.

NJTL Chapter Leader of the Year

Presented to the Chapter Leader who has demonstrated a high degree of organizational ability and success in serving the junior players in the area.

Terri Florio

"The Flair of Florio"

Terri Florio has been involved in an array of sectional activities, ranging from USA Tennis 1-2-3 and the Free Lesson Blitz to USA Youth Team Tennis and the Junior Recreational Training Workshop. However, it is her work with the Boys and Girls Club that has earned her the distinguished USTA Florida Section NJTL Chapter Leader of the Year Award. Since 1997, Terri has expanded the program from three sites comprising 160 participants to 12 sites comprising 200 weekly attendees, which swells to 280 juniors during the summer-camp season. In addition, Terri worked with 1996 Wimbledon finalist MaliVai Washington to establish his Florida-based foundation. She also created the successful Georgia/Florida Boys and Girls Club Exchange Tournament. In 1998, the Boys and Girls Club recognized Terri's contributions with their Women and Youth Award for Tennis Partnership.

Overview

The programs of the USTA Florida Section are administered by volunteer-directed committees and councils, working in conjunction with staff and officer liaisons for implementation. Our organization is managed through a system of standing committees, councils, and general committees. Many of the programs are adjuncts to USTA programs and their Florida Section representatives serve as committee members at the USTA level. USA TENNIS FREE-FOR-ALL

A USA Tennis Free-for-All is a fun filled event offering free group instructions by teaching professionals along with lots of fun and games. Designed to get people of all ages to try the sport, it's perfect for those who have not played before or those who have not played in some time.

The USTA Florida Section has received an innovative grant as well as a sponsorship by Hess and has created USA Tennis on the Move, our traveling interactive tennis carnival. Many organizations such as Girl Scouts and colleges are "Getting in the Game" as USA Tennis on the Move tours the state.

USA TENNIS 1-2-3 SITES

USA Tennis 1-2-3 is a low cost, introductory, instructional program for all ages. It is designed to teach basic skills quickly to new players in a group environment. The USTA Florida Section would like to acknowledge these active USA Tennis 1-2-3 sites for their participation in the national Plan for Growth in 2000. These 268 sites introduced 19,435 children and adults to the game of tennis through our nine-hour group instructional program, USA Tennis 1-2-3. We surpassed our 2000 goal of new tennis participants through the USA Tennis 1-2-3 program by 120%.

USA League Tennis Regulations

USA League Tennis is an adult tennis program which provides fun, fitness, and competitive matches for players of all ability levels. Participants enjoy the opportunity to experience team camaraderie, improve tennis skills, meet and compete against new players and participate in competition beyond local league play.

The league groups players by ability using six National Tennis Rating Program (NTRP) levels from 2.5 (beginner) to 5.0 (advanced). Two age divisions are offered: Adult (19+) and Senior (50+). Local winners advance to regional and sectional tournaments, with the hope of earning the right to represent the USTA Florida Section in the National Championships.

A local USA Tennis league requires as few as two teams of 8 players each of the same gender who play at the same skill level. These teams play each other in a round robin schedule throughout the local league season. Tennis players are encouraged to join existing USA Tennis leagues in their area or to form new leagues. For more information about joining the USA League Tennis program, contact the Local League Coordinator in your district or call the USTA FL League Dept. at (954)968-3434 Ext 220.

Participation in USA League Tennis, Adult Division, reached approximately 13,750 players in the 2000 season! This is an increase of 250 players from 1999. USA League Tennis, Senior Division, had approximately 4,000 participants in 2000.

The four Regional Tournaments for the Adult Division were held in July at the following sites: Macci's Tennis Academy, Pompano Beach (South); Dearwood CC & Jacksonville Golf & Country Club, Jacksonville (North); Longboat Key Club, Longboat Key (West); and Sanlando Park and Sylvan Lake Park, Altamonte Springs (East). Sanlando Park was also the host site for the Sectional Tournament in August. The USA League Tennis Senior (50+) Division Sectional Tournament was held in May at Royal Racquet Club, Countryside Country Club, & St. Petersburg Tennis Center in Clearwater & St. Petersburg.

The USA League Tennis Mixed Doubles Division had over 3,300 players in 2000. 93 teams (930 players) attended the USA League Tennis Mixed Doubles Sectional Tournament hosted by The Players Club in Palm Coast, Trails Racquet Club, & Ormond Beach Tennis Club in Ormond Beach.

The USTA Florida Section offers a Senior Mixed (50+) and a Super Senior (61+) division for USA League Tennis. 550 players enjoyed the Super Senior division while 300 players participated in the Senior Mixed division.

NTRP Player Requirements

In accordance with USTA NTRP Methodology, all players should read the NTRP General Characteristics of Playing Levels carefully before self-rating. This section has been reprinted below.

Players who have never participated in the league program must have their self-rating verified on court by a minimum of two USTA FL certified verifiers at an approved USTA FL verification clinic. Players may contact their Local League Coordinators (listed on our website at www.usta-fl.com) for the schedule of verifying dates. All players having their self-rating verified shall accurately complete a player profile sheet for use during the verification clinic.

Players who have participated in the league program and have been assigned a computer rating must retain their most recent computer rating.

The National Tennis Rating Program (NTRP)

General Characteristics of Various Playing Levels

- 1.0 to 2.0** The 1.0 player is just starting to play tennis. The 1.5 player has limited experience and is still working primarily on getting the ball into play. A 2.0 player needs on-court experience. This player has obvious stroke weaknesses but is familiar with basic positions for singles and doubles play.
- 2.5** This player is learning to judge where the ball is going although court coverage is weak. This player can sustain a rally of slow pace with other players of the same ability.
- 3.0** This player is consistent when hitting medium paced shots, but is not comfortable with all strokes and lacks control when trying for directional intent, depth, or power.
- 3.5** This player has achieved improved stroke dependability and direction on moderate shots, but still lacks depth and variety. This player exhibits more aggressive net play, has improved court coverage, and is developing teamwork in doubles.
- 4.0** This player has dependable strokes, including directional intent and depth on both forehand and backhand sides on moderate shots, plus the ability to use lobs, overheads, approach shots, and volleys with some success. This player occasionally forces errors when serving and teamwork in doubles is evident.
- 4.5** This player has begun to master the use of power and spins and is beginning to handle pace, has sound footwork, can control depth of shots, and is beginning to vary tactics according to opponents. This player can hit first serves with power and accuracy and place the second serve and is able to rush the net successfully. Aggressive net play is common in doubles.
- 5.0** This player has good shot anticipation and frequently has an outstanding shot or attribute around which a game can be structured. This player can regularly hit winners or force errors off of short balls and can put away volleys, can successfully execute lobs, dropshots, half volleys, and overhead smashes and has good depth and spin on most second serves.
- 5.5** This player has developed power and/or consistency as a major weapon. This player can vary strategies and styles of play in a competitive situation and hits dependable shots in a stress situation.
- 6.0 to 7.0** These players will generally not need NTRP ratings. Rankings or past rankings will speak for themselves. The 6.0 player typically has had intensive training for national tournament competition at the junior level and collegiate levels and has obtained a sectional and/or national ranking. The 6.5 player has a reasonable chance of succeeding at the 7.0 level and has extensive satellite tournament experience. The 7.0 is a world class player who is committed to tournament competition on the international level and whose major source of income is tournament prize winnings.

B. Registration

A player must hold a current USTA Membership card and must be enrolled from the Florida Section (No. 6). A copy of his/her USTA membership card must be mailed to the Ranking Chair prior to the compilation of the final rankings. The player's current address and phone number should also be sent.

C. Age Regulations

All Senior divisions (30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85) are open to players who have reached or will reach the minimum age limit of the division on or before December 31st.

D. Singles Rankings

Singles and doubles rankings are computer generated, using the USTA ranking program.

E. Exceptions

Any player who does not want to be ranked must notify the Ranking Chair Prior to the beginning of the ranking season (before January 1).

IV. Number to be Ranked

A. Singles Players

All singles players meeting the minimum requirement for ranking in each adult age division will be ranked, provided they have a valid USTA membership card from the Florida Section.

B. Doubles

All doubles players meeting the minimum requirements for ranking in each age division will be ranked provided they have a valid USTA membership card from the Florida Section.

V. Ranking Consideration

A. Basis for Rankings

Wins, losses and exposure shall all be considered. A strong win record is essential for a high ranking. A strong record is generally preferred over a long record. A long and strong record, even with some losses, is generally preferred over a short record with equally strong wins and fewer losses. Exposure is important and should be measured by the number of good quality opponents that a player plays rather than solely by the number of events he plays in. Comparative scores may be considered only when records are otherwise equal.

B. Out-of-State Tournaments

Direct wins and losses in out-of-state tournaments between Florida players will count toward USTA FL rankings. All players competing in out-of-state tournaments are responsible for sending the results to the Ranking Chair. These results must be sent in separately. USTA FL may sanction a tournament out of state to count towards ranking requirements. There are three (3) tournaments from the USTA/Southern Section listed in the tournament schedule. Florida players may use one (1) of these to count toward the tournament requirements.

C. USTA National Tournaments

USTA national tournaments played in Florida will count as a designated or state closed tournament for ranking requirements.

D. Retirements

When a player retires, it is a loss for him or her and a win for the opponent.

E. Defaults

Defaults after the 1st round of a tournament will count as a loss for the player defaulting but not as a win for the opponent. In addition, he or she will lose credit for that tournament. They will not lose credit for matches played before the default. If a player defaults after the 1st round of the consolation, he will still have a loss on his/her record but will not lose credit for the tournament.

VI. Final Ranking Procedures

A. Tentative Ranking

Tentative ranking for each adult division will be published in the official USTA FL newspaper in February and mailed to each USTA FL individual member, member club and district director.

B. Appeals

Anyone wishing to appeal his or her ranking must do so in writing to the USTA FL Adult Competitive Coordinator, giving specific information and reasons. Appeals must be received within the deadline published in the newspaper.

The ranking record must include the complete tournament record (tournament, date, wins, losses, scores), full name, copy of USTA membership card, address and phone number. Send only those results obtained in that one division to be ranked. Note that singles and doubles are separate divisions. A sample record sheet can be found in this schedule. Copies may be requested from the USTA FL office.

C. Ranking Review Committee

The Ranking Chair will appoint a special Ranking Review Committee which will meet at an appropriate time to review all tentative rankings, consider all appeals and double check valid USTA cards from the Florida Section. Players with USTA cards from other sections will be deleted from the Florida final rankings. This committee will then decide on all adult rankings, all of which will then be final.

D. Submission to Executive Director

After approval, the adult rankings shall be submitted to the Executive Director, and shall show the current USTA registration number, the city, and for all senior divisions, the date of birth.

VII. Ranking Certificates

USTA FL Ranking Certificates showing player's name, division in which ranked and numerical ranking are available at the USTA FL office. Players who want one (or more) should write the USTA FL Section and give name, address, division (state singles or doubles), year and enclose check for five dollars.

Super Seniors

All Super Senior tennis players are invited to participate in the Super Senior Grand Prix, a series of USTA FL sanctioned tournaments held in the southeast and southwest coasts of Florida during the months of January, February and March.

Points are earned by winning matches in the sanctioned tournaments held during the Grand Prix Circuit year. At the end of the circuit year, final points are totaled, and the four top qualified point-earners in each age division will receive certificates from the USTA FL Section recognizing their achievement from that year's circuit.

In addition, the top 4 players in each division that play the East Coast tournaments will be eligible to participate in a money prize playoff at the end of the circuit.

Super Senior Grand Prix Qualifications

A player must be a current member of the USTA. To be eligible receive a certificate from the USTA FL Section, a player must be one of the top four qualified and available point-earners in his age division. (Note: It is recommended that each player keep a record of his tournaments and point standings. The USTA FL office will also be keeping track of this point system.)

Tournaments which are part of the Super Senior Grand Prix Circuit are identified by the SS shadow in the Adult Tournament Schedule in this book (see table of contents). The USTA FL Tournament Regulations (see table of contents) will be in effect. To be eligible to receive a certificate, a player must play in any three (3) USTA FL SSC sanctioned tournaments in his age group and doubles teams must play in at least two (2) USTA FL SSC sanctioned tournaments in their own age group.

Rules

For any given tournament, a player/team must play and win one (1) match to receive points.

In the event of ties, co-winners will each receive certificates.

2000 NTRP RANKINGS

NTRP Tournament Regulations

Player Requirements

1. Age 19 & over
2. Be a member of the USTA
3. Compete at their official NTRP rating or higher. An official NTRP rating is a Computer Rating or an "On Court" Rating received at a rating clinic. It is the player's responsibility to compete at his/her official NTRP rating.
4. If a player does not have an official rating, that player may compete at his/her own "Self Rating" level or higher.

NOTE: The Tournament Director has the right to adjust a player's "Self Rating" level.

NTRP Tournaments

Standard Formats

The standard 2 out of 3 sets format is accepted in NTRP tournaments. Please see page 11 for guidelines on acceptable alternative formats. For maximum number of matches per day and rest period between matches, please see the "Adult Tournament Daily Playing Limitations" chart in the Adult Tournament regulations section.

Designated Tournaments

1. There are no tournament requirements for a player to enter a Designated Tournament.
2. There shall be four (4) to eight (8) Designated Tournaments annually.
3. There will be two types of Designated events:
 - a. Designated with verifiers to create benchmarks so that players can receive computer ratings at the end of the year.
 - b. Designateds without verifiers: These tournaments have no verifiers. They are established to assist players with their ranking requirements. Players in both no verifier and verifier designateds can count these events towards their ranking requirements.
4. Players must have played in a minimum of two matches in a year to receive a rating provided they have a relationship to a benchmarked player. All players receiving a rating will have their name listed in the December rating publication. Once a player receives their computer rating, he or she must play at this level or higher.
5. The Verifiers will be paid by the USTA Florida Section.

Ranking Requirements

1. To obtain a final ranking, a player must have participated in at least three (3) sanctioned NTRP Tournaments at the same NTRP level, one of which must be a Designated.
2. Players must be a member of the USTA from the Florida Section.
3. For additional ranking regulations, see page 14 of the Adult Tournament Rules and Regulations.

The ranking season is the calendar year.

Rankings are computer generated from all match results of sanctioned NTRP Tournaments. This is the responsibility of the USTA Florida Section.

Tentative Rankings will be published in *Florida Tennis*, the official USTA Florida newspaper in February as well as on the USTA Florida Section web site at www.usta-fl.com.

The appeals process is the same as for the Adult Rankings for the age division tournaments. Please refer to page 12 in this book.

NTRP Ratings

If a player's ability improves in accordance with the USTA League guidelines, that player will be upgraded to the appropriate level.

NTRP Tournament players will go through the same rating appeal process as USTA League players.

Eligibility

1. Age 19 and over, both men and women.
2. Be a member of the USTA (United States Tennis Association). \$25.00 for 1 year membership - may be bought at the tournament site.
3. Does not have to have an official NTRP rating.

NOTE: If you already have an official NTRP rating, you must play at that level or higher. Official rating is a computer rating or an "On Court" rating.

GRIEVANCE COMMITTEE

Terry Logan, Chair

727-864-3188

toddylou@aol.com

Doug Booth, Staff Liaison

954-968-3434 Ext. 211

booth@florida.usta.com

A. Composition and Responsibility

The Grievance Committee shall be composed of persons named by the President of the USTA FL. It shall be responsible for enforcing the Constitution, By-Laws, all the rules and regulations of the Section, and the standards of conduct, fair play and good sportsmanship.

B. Filing a Grievance

Whenever a written complaint is filed with the Grievance Committee Chair charging that any person has violated the Constitution or any of the By-Laws, rules and regulations of the Section, or the standards of conduct, fair play and good sportsmanship, the Chair shall have the power to fine such person in such amount, not in excess of \$1,000, and/or to suspend such person for such period, as he, in his absolute discretion, deems appropriate.

Prior to taking such action, the Chair shall not be required to hold any hearing, and such action may be taken by him on the basis of such investigation as he, in his absolute discretion, deems appropriate. In the absence of the Chair (or pursuant to the Chair's request), the Vice Chair of the Grievance Committee shall have the same power to fine and/or suspend as granted to the Chair herein. The Chair or the Vice Chair, as the case may be, shall promptly notify in writing the person so charged of his decision.

C. Appeals Process

Within thirty days after receipt of a written notice of a decision by the Chair or Vice Chair of the Grievance Committee, the person penalized may appeal the decision by addressing a written request to the Chair (c/o the USTA FL Office) for a hearing before the Grievance Committee. Upon receipt of such a request, the Chair of the Grievance Committee shall promptly fix a time and place for a hearing and shall give the person penalized not less than eight days prior written notice. At any such hearing, the person penalized shall have the right to appear personally, with not more than one representative or attorney, to present testimony and other evidence and cross-examine witnesses. The Grievance Committee shall have the power to affirm, modify or reject the prior decision and to impose any additional penalties as it may deem appropriate, including a fine not in excess of \$1,000. The Grievance Committee shall promptly notify the person penalized of its decision and shall prepare written findings of fact in support of its decision.

D. Hearings Before the Grievance Committee

Instead of acting upon a written complaint in accordance with the provisions of subsection (B) above, the Chair may elect to hold a hearing before the Grievance Committee and have the Grievance Committee render a decision, in which event a hearing shall be held in accordance with the provisions of subsection (C) above and the Grievance Committee shall have the power to impose such penalties as it may deem appropriate, including a fine not in excess of \$1,000. Any appeal from a decision of the Grievance Committee shall be made to the Executive Committee as provided in subsection (E) below.

E. Appeals to the Executive Committee
